Rezy G.: Hello. We appreciate your business. I understand you need assistance with new booking. Let me help you with that. May I know if you will use your credit card or flight credit?

You: [PNG] in here i booked flight from boston to chicago i seen this \$61 and there is personal items so i can carry my backpack it means laptop and some cloths

15:35, Jul 31

Rezy G.: Thanks for the information. regarding for the baggage for Basic Economy you can bring only for the personal item. But if you purchase a Economy you can bring 1 carry on and 1 personal item.

15:36, Jul 31

You: so no laptop bag

15:36, Jul 31

Rezy G.: Yes, that is correct.

You: i have just backpack in there laptop and 2cloths

15:37, Jul 31

You: is that not allowed

15:37, Jul 31

Rezy G.: In that case, you can bring as personal item as long as you can reach the size.

15:37, Jul 31

You: normal college bag

15:37, Jul 31

Rezy G.: Your personal item should fit underneath the seat in front of you. The maximum dimensions for your personal item are 9 inches x 10 inches x 17 inches (22 centimeters x 25 centimeters x 43 centimeters).

15:38, Jul 31

You: [JPEG] this is my bag

15:39, Jul 31

15:40, Jul 31

Rezy G.: Thank you. But if you want you can bring a carry on and personal item. You can purchase the ticket with Economy.

15:40, Jul 31

You: in that \$61

15:41, Jul 31

Rezy G.: The Economy should be \$96 because the \$61 that is Basic Economy and you can bring a personal item only.

You: i am student and i have only one bag

15:42, Jul 31

You: i cant afford 96

You: i have only one bag

15:43, Jul 31

Rezy G.: That's fine. You can purchase the ticket with basic Economy so you can bring your one bag.
